

Part IA Chemistry 2023-24

Start of term arrangements

Tuesday 3rd October – Collection of course materials

Students taking Part IA Chemistry are requested to come to the **Yusuf Hamied Department of Chemistry** (Lensfield Rd) to collect teaching materials etc. on **Tuesday 3rd October** between **09:00-12:00**, and then between **14:00-17:00**. It will also be possible for students to purchase lab coats, safety spectacles and University type-approved calculators. Purchases: card payment only.

Students should enter the Department from Lensfield Road using the doors which face onto the Scott Polar Research Institute.

Lectures and lecture handouts

Part IA Chemistry lectures will be given **in person** and follow the usual timetable:

Part IA Chemistry lectures: Friday, Monday & Wednesday at **9:00 am**

Part IA Chemistry lectures will be given in the **BMS lecture theatre**. For lectures please enter and exit the Department via the doors which face onto the Scott Polar Institute and lead directly into the BMS foyer.

Printed lecture handouts will be available at the start of each lecture course and all Part IA Chemistry lectures are recorded, the **recordings** will be available on Moodle.

Online versions of all lecture handouts will be available on Moodle.

Practical course

The Part IA Chemistry practical will be held in the **Part IA Laboratory** (the same lab where you collected the course materials).

When you register you will be given a regular day of the week on which to attend the class. This information will be emailed to you by the morning of the Wednesday directly before lectures begin (Wed 4 Oct).

For Chemistry you will be assigned a time slot of **11:00-17:00** (includes 12:00-13:00 lunch break) on a particular day of the week every other week (i.e. you have one chemistry practical every two weeks).
